

3x RENEGADE DAILY

ONE-STEP DISINFECTANT

Kills Germs in 3 Minutes

EPA List N: for use against SARS-CoV-2

Effective against Norovirus

3x

For Use With

NAVIGATOR

Dilution Control System

Clean With Confidence

Fight HAIs with Faster Disinfection

Effective three times faster than traditional disinfectants. Surfaces only need to stay wet for 3 minutes to kill rather than the 10 minutes required by typical quaternary disinfectants. SSS Navigator 3x Renegade Daily cleans, disinfects and deodorizes in one labor saving step. Effective against Norovirus in fast 5 minute contact time.

Designed for healthcare facilities, schools and more. Effective against a broad spectrum of bacteria, viruses and fungi. Get accurately measured use-solution with the SSS Navigator Dilution Control System. Neutral pH won't dull finished floors. Bactericidal Stability of Use-Dilution: Tests confirm use solution of this product, when stored in a sealed container such as a spray bottle, remains effective for 1 year.

Faster Kill Times-Labor Saving

Where It Cleans

Frequently Touched Surfaces: door handles, bedside furniture, tray tables, bedside controls, bed rails. **Regularly Touched Surfaces:** doors, walls, shelves and floors. **Active Surfaces:** restroom surfaces, waste receptacles, fixtures, athletic equipment, and exercise surfaces.

How It Cleans

Built to be better, specifically targets pathogens associated with **hospital acquired infections (HAIs)** and kills micro-organisms in just three minutes. Eliminates Enterococcus Faecalis- Vancomycin resistant (VRE), Staphylococcus aureus- Methicillin-Resistant (MRSA) on environmental surfaces.

Virucidal: Kills HIV-1 and Influenza Type A in one minute, Influenza A and Rotavirus in three minutes and Norovirus in five minutes.

Fungicidal: Kills Trichophyton mentagrophytes (athlete's foot fungus) in three minutes

Bactericidal: Kills many pathogenic bacteria

Helps reduce cross-contamination from frequently touched and regularly touched surfaces

One step sanitizer on soft surfaces

Effective at eliminating odors on porous surfaces such as upholstery, drapes, carpets, bedding, shower curtains, and mattresses

Cleans and disinfects finished floors without harming finish

- **Saves Time:** Eliminates 99% of Staphylococcus aureus and Klebsiella pneumoniae in 15 seconds
- **Saves Money:** Delivers non acid disinfectant and cleaning performance in an economical concentrate
- **Saves Labor:** Is a heavy duty disinfectant cleaner that cleans, disinfects and deodorizes in one step

Technical Data

Packaging (concentrate): 2/2 Liters per case
 Product Number: 13215
 Dilution: 1:128
 Color: Yellow
 Odor: Lemon
 pH: 12-13.5
 RTU pH: 9.5
 Foam: Moderate
 Solubility: Complete with water
 Detergency: Excellent
 Rinsability: Excellent
 Biodegradability: Complete
 Storage/Stability: 1 year
 Freeze/Thaw Stability: Keep from freezing
 RTU Quart Yield: 270 Quarts per bottle
 Gallon Yield: 67 Gallons per bottle

Why It's A Better System

- Concentrate and RTU labels are numbered and color coded for safety and to facilitate training
- Closed system - Spill proof container
- New Metered Tip with each concentrate provides proper dilution each time
- Each concentrate has an easy carry handle
- Recyclable container
