

# FOAMING HAND SOAP – CLEANSE & MOISTURIZE

## Product Description:

Our lotion soap lets you wash your hands or your entire body with a luxurious mound of foam. A small quantity of concentrated cleaner expands to as much as eight times its original volume, therefore reducing the amount of soap actually used. Foaming Hand Soap contains emollients that replace natural oils to condition your skin, leaving your hands clean and fresh with a pleasant fragrance.

## Features:

A small quantity of concentrated cleaner expands to as much as eight times its original volume, therefore reducing the amount of soap actually used. Contains emollients that replace natural oils to condition skin, leaving your hands clean and fresh with a pleasant fragrance. All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.
