

QUANTUM-NEUTRAL FLOOR CLEANER

Product Description:

Quantum Neutral Floor Cleaner is your choice when selecting a product for daily maintenance of finished hard surfaces. It's gentle formula with a pH of 6.6-7.5 enables Quantum to enhance shine rather than dulling or discoloring your finished surface. Quantum is a concentrated solution of surfactants, emulsifiers and chelating agents that is ideal for quick and thorough removal of soil and dirt from floors, walls, table tops and many other surfaces.

Features:

For daily maintenance of finished hard surfaces. Highly concentrated. Phosphate-free and biodegradable. Authorized by USDA for use in federally-inspected meat and poultry plants. All raw materials used for production undergo a thorough quality control process before being used for manufacturing high quality products.

Specifications:

Color:	Fluorescent Green
Odor:	Lemon
pH:	7
Physical State:	Liquid

Available In:

5 Gallon Pail	Item# 98PQU05
30 Gallon Pail	Item# 98PQU30
55 Gallon Pail	Item# 98PQU55
4x1 Gallon Bottles	Item# 98PQU0G

Directions:

For mopping of finished tile and other floor surfaces, dilute 1-2 ounces of Neutral Floor Cleaner to one gallon of water depending on severity of soiling. For spray cleaning, use Neutral Floor Cleaner in a spray bottle at a dilution of 1:6 with water to clean discolorations and other deposits from walls, table tops, and many other surfaces.

First Aid:

If contact with eyes occurs, flush with water for 15 minutes. If contact with skin occurs, wash with plenty of water. If swallowed, drink large quantities of water. Do not induce vomiting.

Storage:

Product may be disposable in sewers if local regulations permit. Otherwise, send to a licensed treatment facility. Rinse empty containers before handing and disposal.
