What the Pros Know

It's always best to clean glass, mirrors, stainless steel, copper, brass, Formica and vinyl with a microfiber cloth or squeegee rather than paper towels, which can leave behind streaks.

Description

- Streak-free glass and mirror cleaner. Also can be used on other surfaces such as stainless steel, copper, brass, Formica and vinyl. For quart spray application.
- Concentrated formula - each 1 oz. pack makes one quart of ready-to-use glass cleaner.
- Removes grease, dirt and residue.
- No harsh chemicals, non-toxic and biodegradable.
- Not considered hazardous according to the 2012 OSHA Communication Standard (29 CFT 1910.1200).

Directions

Wear PPE recommended on SDS, and read all directions and cautions prior to beginning your work.

Fill spray bottle with 32 oz. of cold water.

Tear off one pack of SSS PrecisionPak Glass Cleaner. Carefully cut or tear corner of pack.

Mix in contents of one pack of Glass Cleaner into bottle. Rinse and discard pack.

Spray Glass Cleaner directly to soiled surfaces. Wipe off with a SSS MicroFiber Cloth (or comparable) or squeegee. No rinsing is required.

Just Add Water
