

CLING-20% PHOS BOWL & PORCELAIN CLEANER

Product Description:

Cling is a ready to use bowl and porcelain cleaner that removes soap film and lime deposits from toilets, sinks, and urinals.

Features:

Removes rust, scales, scum, lime deposits and discoloration. Works on porcelain, tile, stainless steel and other surfaces. Will not discolor or corrode stainless steel and other metals.

Specifications:

Color:	Pink
Odor:	Cherry
pH:	1
Physical State:	Viscous Liquid

Available In:

05 Gallon Pails	Item# 98PCL05
4X1 Gallon Bottles	Item# 98PCL0G
12XQTS	Item# 98PCL0Q

Directions:

1. Apply from squirt bottle directly to surface to be cleaned.
2. Allow to stand briefly before scrubbing.
3. With applicator, paint entire surface, especially under rims where dirt and grime collect.
4. Flush bowl and rinse out applicator.

First Aid:

In case of eye contact, flush with water for at least 15 minutes. If irritation persists, seek medical attention. In case of skin contact, wash with water. If swallowed, DO NOT induce vomiting. Drink large quantities of water and call a physician immediately.

Storage:

Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food and drink. Use appropriate containment to avoid environmental contamination. Keep container tightly closed and sealed until ready to use. Separate from alkalis. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Do not store in unlabeled containers. Use appropriate containment to avoid environmental contamination.
